

Route Changes - Final Version

Effective June 3, 2013

Posted: May 13, 2013

Johnson County Transit has finalized **The JO** route and schedule changes to begin operation on June 3, 2013. These changes are primarily in response to the following events:

- Opening of the new Mission Transit Center at 5251 Johnson Drive to replace 6000 Lamar as **The JO**'s primary transfer location. The timing of all routes serving the Mission Transit Center as well as scheduled transfers will change due to the new location.
- Upcoming construction and operation of the Kansas City Downtown Streetcar on Main Street. **The JO** routes currently operating on Main will be moved to Grand. The streetcar is scheduled to begin construction in mid-to-late 2013 and open in mid-2015. For information, visit www.kcstreetcar.org.
